TWO DAYS'
NATIONAL WORKSHOP ON
EQUINE DISTAL LIMB LAMENESS
DIAGNOSIS and SONOGRAPHY

1st - 2nd July
2021

The equine distal forelimb ultrasound workshop is designed for the practicing vets/ students confronted with challenges to diagnose and locate the seat of lameness in the equine flexor tendons. The focus of the Hands-on training is to enable the participants in correctly scanning the musculoskeletal structures of the equine distal forelimb as well as to locate lesions in the lame athletic horse.

Venue: IVPD and SPCA, UVAS.

Registration Information:

Course Fee: Practising Vets: Rs. 7,000/-; Students: Rs. 6,000/- for both days.

Registration Deadline: 28th June, 2021.

Registration includes lectures, hands-on practical demonstration and individual instruction, refreshments/ lunches and file. Registration is open on a first-come, first-served basis. Maximum limit: 15 participants.
