International Women's Day 8th March, 2014

Each year International Women's Day is celebrated on March 8. The first International Women's Day was held in 1911. Thousands of events occur to mark the economic, political and social achievements of women. Organisations, governments, charities, educational institutions, women's groups, corporations and the media celebrate the day.

This year on March 2014, NCA-UVAS organized and celebrated the International Women's Day with the collaboration of Razia Sultana International Organization (RSIO) at UVAS Lahore (University of Veterinary and Animal Sciences, Lahore). This event was created to recognize their achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political
