### General information for students:

1. (T&P) means theory and practical at same time slot.
2. All papers will be of subjective nature.
3. Time for each paper will be 5 hours. All theory and practical part (if any) will be attempted in these five hours, However, theory and practical part has to be uploaded separately in CTS.
4. Please write corner to corner on paper to keep minimum no. of pages.
5. After completing the answers, kindly use **camscanner software ( free available in play store )** to scan and convert into pdf keeping minimum file size. Use camscanner for web option. Maximum file size to be uploaded should not exceed 25 MB otherwise, it will not be uploaded but error message may appear.
6. If any issue rises during paper download, and /or upload, please contact IT Hotline that will be available on UVAS website before start of exams. Your respective teacher will also be available for your help during exams to manage such issues.

- 7. Please sanitize your hands after completing paper if you are on a shared computer/laptop to avoid CORONA issue. May God keep you all safe during this pandemic.**
