Vice Chancellor's Message

On the behalf of the University of Veterinary & Animal Sciences (UVAS), Lahore and UVAS Alumni Association, I welcome you all on the 10th UVAS Alumni Re-union. I really appreciate the way you have been participating in alumni activities over the year for your alma mater. I hope that this bond will remain intact forever. I feel pride to share with you that this historical institution has achieved several milestones in the recent years. UVAS has been ranked among top 301-350 universities in Asia by "The Times Higher Education world universities ranking" and among top 301-350 Asian Universities by "the QS Ranking". The story does not end here, UVAS has been ranked among top 10 universities by the Higher Education Commission (HEC), Pakistan in general category and 5th in HEC sports ranking.

UVAS is very much focused to its core objectives of teaching, research and community development. By aiming at the applied research and a close liaison with the industry, UVAS has been successful to open avenues for commercializing the research as well. For Instance, UVAS meat shop, UVAS Dairy pure, Camel Milk, Ostrich farming, ducks farming and UVAS vaccines are the vibrant examples of its commercialized research. UVAS has established the state of the art "Central laboratory complex" (CLC) at Ravi campus, Pattoki which is a hallmark in the field of veterinary disease diagnosis. These achievements are the outcome of untiring efforts of the faculty, staff and students under the able guidance of the senior alumni.

I would like to extend my sincere gratitude to all the senior and young alumni and honorable guests for their gracious presence in the 10th Alumni Re-union, 2019 and sincerely thank the efforts of the Directorate of University Advancement & Financial Aid for making this event a success.

Lastly, I pray for the health and wellbeing of all the alumni and special pray for the departed souls of our alumni who are not amongst us now in this world. However, their contributions for their alma mater will always be remembered. May Almighty Allah bless them with high ranks in Jannah and give us the more strength to work hard for the progress of this university and our dear homeland. Ameen!
