

EVENT REPORT

Vets Care Club, UVAS working under the kind auspices of Vets Care Organization keeping in view the **International Vultures Day Awareness Day 2019** arranged a tour to the **Vultures Conservation center** at Changa Manga Forest Park, Pakistan.

The **motive of the tour** was to raise awareness about the significance of the Vultures, different breeds of the vultures, to rule out the misconception about the vultures and to explain the role of the vultures in maintaining and balancing the ecosystem.

DVM students from UVAS, Vets Care Club and from other universities of Lahore visited Changa Manga Forest under the kind supervision of Patron, **Prof. Aneela Zameer Durrani**. **WWF representative**, Mr. Zeeshan Khalid, **Project in charge**, Abdul Ghafoor and **VO Lahore Zoo**, Dr. Rizwan were invited for the seminar. They talked about the **breeds of the Vultures** present in Asia Continent, problems facing by the

vultures and sudden **cause of their death** within a few decades, and the **roles of vultures** in maintaining the ecosystem.

Project In charge, Abdul Ghafoor, put some light on **the management of vultures, at Vultures Conservation Center, Feeding, Breeding and Environmental strategies of the vultures.** The students were too much excited to see and learn about such creatures.

An **awareness walk** was also done at the Vultures Conservation Center and besides this a **Photographic and Sketching competition** was done in accordance with the Vultures awareness day. Students expressed their keen interest in the competition and made beautiful sketches of the Vultures and took stunning photographs under theme of Vultures Conservation.
