

**DATE SHEET MID TERM EXAMINATIONS (SPRING 2026)**  
**B.S. (BIOLOGICAL SCIENCES)**

| 2 <sup>nd</sup> Semester |                                 |                          |                                                                                      |
|--------------------------|---------------------------------|--------------------------|--------------------------------------------------------------------------------------|
| DAY                      | DATE                            | TIME                     | SUBJECT                                                                              |
| Tuesday                  | 21-04-2026                      | 1.15 p.m. to 1.50 p.m.   | SOSC-17205 – Expository Writing (Online)                                             |
|                          | Concerned Department will Share |                          | SOSC-17206 – Fehm-e-Quran-II (Online)                                                |
| Wednesday                | 22-04-2026                      | 10:00 a.m.               | BIOS - 17201 - Animal Diversity-II (Chordates)                                       |
| Thursday                 | 23-04-2026                      | 10:00 a.m.               | CHEM - 17203 - Inorganic and Organic Chemistry                                       |
| Monday                   | 27-04-2026                      | 10:00 a.m.               | BIOS - 17202 - Plant Systematics, Anatomy and Development                            |
| Tuesday                  | 28-04-2026                      | 10:00 a.m.               | STCS - 17204 – Biomathematics                                                        |
| 4 <sup>th</sup> Semester |                                 |                          |                                                                                      |
| Monday                   | 20-04-2026                      | 11.15 a.m. to 12.10 p.m. | SOSC-17404 – Sociology (Online)                                                      |
| Monday                   | 20-04-2026                      | 3.00 p.m. to 3.45 p.m.   | SOSC- 17406 – Psychology (Online)                                                    |
| Wednesday                | 22-04-2026                      | 10:00 a.m.               | BIOS-17402 - Phycology & Bryology                                                    |
| Thursday                 | 23-04-2026                      | 11:00 a.m.               | STCS-17407 – Biostatistics                                                           |
| Monday                   | 27-04-2026                      | 10:00 a.m.               | MICR-17403 - Bacteriology & Virology                                                 |
| Tuesday                  | 28-04-2026                      | 12:00 p.m.               | BIOS-17401 - Animal Form & Function-II                                               |
| Wednesday                | 29-04-2026                      | 01:30 p.m.               | STCS- 17405 -<br>Applications of information and communication technologies.<br>AICT |
| 6 <sup>th</sup> Semester |                                 |                          |                                                                                      |
| Wednesday                | 22-04-2026                      | 10:00 a.m.               | BIOS-17602 – Genetics                                                                |
| Thursday                 | 23-04-2026                      | 10:00 a.m.               | BIOS-17601 - Research Methodology                                                    |
| Monday                   | 27-04-2026                      | 10:00 a.m.               | BIOS-17607 - Global Environmental Process                                            |
| Tuesday                  | 28-04-2026                      | 11:00 a.m.               | BIOS-17606 - Enzymology                                                              |
| Wednesday                | 29-04-2026                      | 10:00 a.m.               | BIOS-17604 – Wildlife                                                                |
| Thursday                 | 30-04-2026                      | 10:00 a.m.               | BIOS-17603 - Biosecurity and Biosafety                                               |
| 8 <sup>th</sup> Semester |                                 |                          |                                                                                      |
| Wednesday                | 22-04-2026                      | 10:00 a.m.               | BIOS-17804 - Entomology (Classification of insects and pests)                        |
| Thursday                 | 23-04-2026                      | 10:00 a.m.               | BIOS-17801 – Bioinformatics                                                          |

For invigilation presence of concerned teachers along with other staff during the examination is mandatory and responsibility of the concerned Chairman
